NSW TEE

This may look like just another T-shirt, but don't be fooled by its modest appearance — everything in the NSW line always has an innovative twist. It's all about fit and fabric. It is lined with Nike's high-tech Dri-FIT to keep sweat stains at bay, while the outer layer is made from 100 per cent organic cotton for an ultra-soft finish. The original logo design is proudly branded and designed using soft hand inks that get better with each washing.
